Kindly note that the halls are being opened for study purposes only. Any kind of misconduct or indiscipline will lead to strict action. In case of any such incident, entry to any of the halls will not be permitted.

Please note to show this permission to the guards at the main gate if the hall is not opened.

Incase any hall is not available at any certain slot due to any lectures, please co-operate at that time to not disturb anyone and only use the hall when available.

Due to lack of charging ports, students are also recommended to bring their own extensions for the same until further arrangements are made.
